UBB Ind. Elc. Industry and Trade Co. Ltd.
İkitelli OSB Sefaköy Sanayi Sitesi 5.Blok No:27
Başakşehir / İSTANBUL

To whom it may concern

CANEL selected UBB as its partner for 2 projects performed in ITU Nano technology laboratory and ABDI İBRAHİM Pharmaceuticals factory.

The works entrusted to UBB were :

- * Electrical Project Design
- * Medium Voltage Installation
- * Electricity MV and LV Distribution Panels
- * Cable Tray Systems
- * Site Cabling
- * Lighting Installation and Automation
- * Busbar Power Distribution and Facilities
- * Installation of Fire Alarm and Emergency Announcement
- * General and Professional sound and lighting systems
- * Mechanical Energy and Automation
- * Telephone and Data Infrastructure Installations

During these 2 projects, UBB demonstrated its reliability, its professionalism and gave CANEL a very good and constant support.
